

# ECCLESIA GNOSTICA CARPOCRAZIANA

VARIETATE ENIM INNOVATUR REGULARUM FACIES

The **Ecclesia Gnostica Carpocraziana** proclaims the time of renewal and affirms a theology based on an imperfectionist monadic gnosis vain in its Observance.

The **Ecclesia Gnostica Carpocraziana** is an egggore of Flesh to capture, reuse and amplify the flow of energy that pervades the frequencies of reality that We experience.

The **Ecclesia Gnostica Carpocraziana** is an avant-garde sent to proclaim the advent of the Kingdom and to convey its nature.

The **Ecclesia Gnostica Carpocraziana** proposes three Gnostic techniques of reunification in a system that manages to contain the themes of cosmic subversion, materic reintegration and disengagement from any ritual indication.

**Ειχη** - through the venereal ΈκΠυρδς; the reunification through the "desire" towards one fluid and chaotic condition; the consummation in the regenerated cosmos.

**Παραβασις** - Becoming Flesh through the Virgin. Baptism-Anointing-Eucharist-Redemption-Wedding Chamber.

**αγων** - Not all souls come from the Truth and what has never existed will never have existence.

We flow into the Αλόγοσ that came to the flesh. The exaltation of the transience of matter tends to "he who is", to he who has processed its matter in a vacuum.

The **Ecclesia Gnostica Carpocraziana** is a disjointed and dynamic structure that revisits the existing relationships between technique, experience and theology in a cyber-essentialist and psychonautic perspective.

Our (a)rituals of descent do not remove materiality in the process of joining the divine but on the contrary enhance it, channel it towards the access code to the ultimate Reality and atomize the energies derived from its interactions.

The **Ecclesia Gnostica Carpocraziana** has as its objective the conservation of the Lucerna Extinta through the Breaking of the Chain.
